Children's of Alabama Donor List

Children's
of Alabama®

2023 Gifts

Though we cannot list them all here, we would like to thank each of the donors who supported Children's of Alabama in 2023. Philanthropy enables Children's of Alabama to continue its mission to provide the finest pediatric health services to all children in an environment that fosters excellence in research and medical education. We list donors by gift size, but when it comes to caring for children, every gift matters.

Thank you for your generous support.

ST. NICHOLAS SOCIETY

We extend our appreciation to those whose lifetime support of Children's of Alabama exceeds \$100,000. We know that people do not make significant charitable contributions in order to become members in a giving society. However, we want to recognize these special donors. They are proof that every gift matters. Membership in this society can be from a single gift or many gifts contributed over time. Members of the St. Nicholas Society remind us all that every child matters and their generous support has helped Children's of Alabama continue to provide state of the art, family-centered care to children.
